Student's statement

Please write as much as you can here explaining why you would like to join this project. Include information about any prior experience of composing and possibly something about your aspirations as a composer for the future.

Supporting materials

If you already have some experience of composing and would like to send us some examples of your work (scores and/or recordings), please email them to Dr. Jane Stanley. Please send scores as pdfs, and send us a link to any recordings (eg. SoundCloud, DropBox etc).
